

**Transylvania Housing Development Corporation was allocated a total of \$233,889 in HOME funds in 1998 and 2000 to acquire land and develop a new S/F subdivision in Brevard. The agency was unable to obtain other funding needed for the development and now plans to sell the land and reimburse the HOME Investment Fund the \$128,609 already expended on the project. The Agency and the City of Brevard have requested that the remaining \$105,280 be re-allocated to assist the construction of three single family homes on scattered sites in Brevard. A public hearing will be held on this project in Brevard.**
